

HIKE No. 2811 - Illiniwek Forest Preserve - Hampton, IL
Saturday, February 3, 2024 - 1:30 PM

We will meet at the parking lot for the north loop trail. If weather and trail conditions permit, we will have a winter hike through the hills and ravines on some hilly and somewhat rugged single-file trails. A shorter, easier, and mostly level hike is also available along the Great River Trail, along route 84 and through Hampton. If the Illiniwek hiking/biking trails are closed for weather or trail conditions, we will hike along the Great River Trail.

Directions: From Illinois, take IL 84 out of East Moline and through Hampton. Just beyond Hampton, turn right into Illiniwek Forest Preserve. From Iowa, cross the I-80 bridge into Illinois and take exit 1 just over the bridge, turn left towards East Moline. Illiniwek is about 2.5 miles on the left.

In the forest preserve, turn left at the fork in the road to go to the north parking lot. If the parking lot is full, additional parking is available at the south parking lot. Please bring your own water and snack.
