

**HIKE No. 2812 - Crow Creek Park - Bettendorf IA (A Dog Hike)**

**Saturday, February 10, 2024 - 1:30 PM**

Crow Creek is a great place to hike year-round because there are paved trails, as well as grassy bike trails. If the snow cooperates, bring your snow shoes!!

This is a dog-friendly park; hikers are welcome to bring a dog to this hike. Owners are responsible for providing proof of current vaccinations, signing a waiver, keeping the dog on a leash, and cleaning up after their dog while in the park. These guidelines are set up for the safety of the dog and the others on the hike. Only those that abide by these set guidelines will be allowed to participate with the BHHC hikers. Thank you for your cooperation in keeping this a successful dog hike.
