

HIKE No. 2828 – Lake McBride State Park, Solon, IA
Saturday, August 24, 2024 – 10:00 AM

We will be hiking out and back along the Beach to Dam Trail which is rated EASY and is a flat trail so hiking sticks are optional. It's approximately 3 miles round trip. If we are lucky, there will be water over the spillway at the Dam while we are there. There is an area to hike beyond the Dam which would require hiking sticks. The more adventurous may choose to hike up there. You might want to bring bug spray.

Directions: Take I80 West taking exit 246 towards IA-1; Dodge Street; Mt Vernon/Solon. In Solon, turn left onto F16/Highway 382 NE and follow this road to the park entrance. Turn left into the park. Follow signs toward the beach and park in the lot just before the beach parking.

Committee: **Deb Viren, Vicki Kohl**, Tom Cline, Jane Cassidy
Directors: Deb Viren & Vicki Kohll
